

Redistricting Process Flowchart

South Lake County (2019-20)

Purpose for Redistricting:

Current schools operating over their student capacity
 Projected student growth within the target area
 Impacts currently exist on residential development from School Concurrency constraints
 School age/condition warrants replacement

Guiding Principles of Process:

Balance permanent/concurrency capacity utilization
 For anticipated growth
 Effective use of facilities
 Assign students to schools closest to their homes
 Balance ethnic & socio-economic diversity
 Maximize transportation efficiencies & walkability
 Maximize the reduction of portable student stations
 Consider all student educational needs
 Keep clean grade level articulation patterns
 Minimize temporary student moves
 Maximize student safety by utilizing geographic features

PURPOSE: Evaluate alternative student assignment boundary changes with the opening of the new K-8 school in Four Corners in 2021 and the anticipated replacement of Clermont Middle & Clermont Elementary schools with the Aurelia M. Cole Academy K-8 in 2023
